### **Badging/Visitor Access**

Official visitors to the John C. Stennis Space Center who **do not** already have a valid NASA employee badge are required to register at one of two entry gates and obtain an official center entrance (Visitor) badge. Specific directions to locations to be visited will be provided at that time. The receptionist will issue the visitor badge and call the point of contact. All NASA/SSC-issued badges must be worn at all times while onsite.

### **Important Stennis Space Center driving information you need to know:**

#### **Safety Note**

Even though the peak deer activity period is during the cooler months of the year, the multitude of deer will continue to move during the warmer months at dusk, dawn and nighttime hours to feed. During a deer strike there are usually three victims 1) the deer 2) the vehicle and 3) possibly the passengers in the vehicle.

### **Cell Phones & Hand Held Communication Devices**

Hand held cell phones and communication devices are forbidden while driving on Stennis Space Center property. A traffic violation will be issued by Stennis Security.
